#### PREFACE.

The Publishers have much pleasure in submitting herewith the sixteenth annual edition of the City of Winnipeg Directory.

Every effort has been made to secure CHRISTIAN names in full. In a work of this kind, where there are several of the same name, initials of CHRISTIAN names cause a great deal of trouble and confusion. To make a Directory absolutely correct is impossible, but we believe that this Volume is as nearly correct as it is possible to make it.

Having the Directory now all in type of our own in Winnipeg, we have been able to make corrections up to date.

The following Table gives our estimate of the population of the City of Winnipeg for the past 20 years:---

-		
1876  -		3,240
1877 -		3,250
1878 -		3,273
1879 -		4,500
1880 -		6,468
1881 -		7,977
1882 -		11,757
1883		22,523
1884		24,700
1885		22,315
1886		20,287
1887	0	21,164
1888 -		23,496
1889		24,114
1890		25,002
1891		26,500
1892		30,000
1893		33,000
1894		35,700
1895		38,500

Thanking our patrons for their encouragment, courtesy, and support, our endeavors will be to merit a continuation of their favor.

Respectfully,

THE HENDERSON DIRECTORY CO.

## Directory Borrowers.

Many are the complaints of those who regularly patronize the Directory that they are bored so much by borrowers; not the stranger or private citizen who steps into the office, looks at the Directory, and goes out, but merchants, business men, who continually need it for reference yet are too close-fisted to buy one. These are the individuals who carry off your Directory "just for a few minutes," which generally means a few days unless you send for it before; then you have scarcely housed it before some one else presents the request "please lend me your Directory for a few minutes." Perhaps you won't see it again for a week; yet this same borrower will tell our solicitor that he has no use for a Directory, he "knows everybody" and "everybody knows him,"—perhaps, too well.

# TO FIND A NAME You must know how to Spell it.

# Directory Borrowers.

Many are the complaints of those who regularly patronize the Directory that they are bored so much by borrowers; not the stranger or private citizen who steps into the office, looks at the Directory, and goes out, but merchants, business men, who continually need it for reference yet are too close-fisted to buy one. These are the individuals who carry off your Directory "just for a few minutes," which generally means a few days unless you send for it before; then you have scarcely housed it before some one else presents the request "please lend me your Directory for a few minutes." Perhaps you won't see it again for a week; yet this same borrower will tell our solicitor that he has no use for a Directory, he "knows everybody" and "everybody knows him,"—perhaps, too well.
